BOILING LAVA

White hot, rushing, roaring, and with a steady thundering as of mighty cannon, is pouring from the new crater on Mauna Loa, and rushing down the mountain, on its mission of destruction, at terrific speed.

Boulders of great weight are being hurled to gigantic heights by Pele in her wrath.

Rivers of living fire, fountains of fire, steam, sulphur plumes, and lava, accompanied by continuous explosions and earthquake shakings cause this outbreak to exceed by far any pyrotechnic display ever devised by man.

Do not attempt to reach this mighty example of nature's fury without sufficient preparation. The hotels are crowded beyond their limits, and all one can depend upon procuring for the trip to the crater, are horse and guides. All other preparation for the trip must be made here.

KODAKS.

You are told that "there is no Kodak but the Eastman Kodak." We handle only Eastman Kodaks. Their goods are a guarantee of quality. We have them from \$5 to \$35, and whether you buy the lowest priced instrument or the highest, they will be found just as represented. Kodaks make the best of Holiday Presents, acceptable to either sex.

FILMS.

Eastman Films are good Films. That is the reason we handle them exclusively. You will always find our Films fresh, and fresh Films insure the best work.

Developing and Printing.

Many amateurs enjoy the work of developing and printing. There are others who have not the time or inclination to do the work themselves. We make a specialty of this branch of the Kodak business. Our customers are kind enough to say we turn out better work than they get elsewhere. We take pride in this department of our business. Every Film developed carefully. If our photographer finds you are making mistakes he will correct you. That's a very important advantage. Let us show you what we can do.
